Editorial Policy
The Journal of Agricultural and Resource Economics seeks to publish creative and scholarly economic studies in agriculture, natural resources, and related issues. Manuscripts dealing with the economics of food and agriculture, natural resources and the environment, human resources, and rural regions are encouraged. The Journal seeks to provide a forum for topics of interest to those performing economic research as well as to those involved with economic policy and education. Submission of comments on articles previously published in the Journal is welcomed.

Editorial Communications
All initial submissions and accompanying editorial correspondence should be submitted electronically at our JARE internet website. (Refer to Author Guidelines, inside back cover of this journal issue, for full information.)
