ACKNOWLEDGEMENTS

We would like to express our appreciation to those individuals and organizations connected with the pig industry in N.S.W. who have contributed to this study, especially Mr. Doug Campbell. Colleagues in the Division provided valuable advice, and fruitful discussions were held with Professor Murray Hawkins, University of Alberta, while he was on sabbatical leave at the University of New England during 1974-75.

Mr. Griffith's position was financed by the Australian Pig Industry Research Committee during most of this study.
