Klamath Water Conflicts and a Role for Markets ........................................ W. K. Jaeger
Effects of Country-of-Origin Labeling ....................................................... J. L. Lusk and J. D. Anderson
Improving Cattle Basis Forecasting ......................................................... G. T. Tonsor, K. C. Dhuyvetter, and J. R. Mintert
Farmer Participation in the Conservation Reserve Program ................. M. Isik and W. Yang
Processed Food Demand Elasticities ....................................................... J. Bergtold, E. Akobundu, and E. B. Peterson
Russian Household Carbohydrate Expenditures ................................... R. Shiptsova, H. L. Goodwin, Jr., and R. B. Holcomb
The Impact of Market Advisory Service Recommendations ................ J. M. E. Pennings, O. Isengildina, S. H. Irwin, and D. L. Good
Modeling Demands for Irrigation Consumptive Use .............................. S. M. Scheierling, R. A. Young, and G. E. Cardon
Agricultural Productivity in the Great Plains ......................................... J. P. Rezek and R. K. Perrin
Distributional Welfare of Parks ............................................................. E. Feinerman, A. Fleischer, and A. Simhon
The *Journal of Agricultural and Resource Economics* is published by the Western Agricultural Economics Association three times per year, in April, August, and December.

Copyright © 2004 by the Western Agricultural Economics Association.

An article, note, or other material appearing in the *Journal of Agricultural and Resource Economics* may not be republished in full or in part without permission from the editor.

**Editorial Policy**

The *Journal of Agricultural and Resource Economics* seeks to publish creative and scholarly economic studies in agriculture, natural resources, and related issues. Manuscripts dealing with the economics of food and agriculture, natural resources, and rural regions are encouraged. The *Journal* seeks to provide a forum for topics of interest to those performing economic research as well as to those involved with economic policy and education. Submission of comments on articles previously published in the *Journal* is welcomed.

**Editorial Communications**

All initial submissions and accompanying editorial correspondence should be addressed to DeeVon Bailey, Editor, *JARE*, Department of Economics, Business Building, Room 606, 3530 Old Main Hill, Utah State University, Logan, UT 84322-3530. Visit our internet web site at http://jareonline.org.
