

Journal of Agricultural and Resource Economics

(formerly *Western Journal of Agricultural Economics*)

Volume 18

Number 1

July 1993

Economic Efficiency	J.-P. Chavas and M. Aliber
Risk and Probability Premiums	B. A. Babcock, E. K. Choi, and E. Feinerman
Pollution and Livestock-Crop Producers	G. D. Schnitkey and M. J. Miranda
Acreage Response	J.-S. Choi and P. G. Helmberger
Cover Crops in Cotton Production Systems ..	G. G. Giesler, K. W. Paxton, and E. P. Millhollon
Crop Acreage Demands	B. T. Coyle
Electronic Lamb Market Use	S. R. Koontz and C. E. Ward
Too Much Faith in the Sugar Program?	C. M. Rendleman and T. W. Hertel
Effects of World Oil Price Shock	K. Hanson, S. Robinson, and G. Schluter
Farm Value of Topsoil	J. R. Williams, D. L. Tanaka, and K. L. Herbel

The Journal of the Western Agricultural Economics Association

CO-EDITORS

Myles J. Watts **and** **Jeffrey T. LaFrance**
Montana State University *University of Arizona*

Associate/Technical Editor, Judith L. Harrison

Lydia Zepeda
*University of Wisconsin,
Madison*

The *Journal of Agricultural and Resource Economics* is published by the Western Agricultural Economics Association twice a year in July and December.

Copyright © 1993 by the Western Agricultural Economics Association.

An article, note, or other material appearing in the *Journal of Agricultural and Resource Economics* may not be republished in full or in part without permission from the editors.

Editorial Policy

The purpose of the *JARE* is to provide a forum for creative and scholarly work in agricultural economics and related areas. Manuscripts should have a relationship to the economics of agriculture, natural resources, human resources, or rural and community development. Theoretical, methodological, and empirical contributions in extension, research, and teaching of agricultural economics are equally encouraged. Only refereed articles are accepted for publication. Submission of comments on previously published articles in the *JARE* is welcomed.

Editorial Communications

All manuscripts and editorial correspondence should be addressed to Myles J. Watts and Jeffrey T. LaFrance, Co-Editors, *JARE*, Department of Agricultural Economics and Economics, Montana State University, Bozeman, MT 59717-0292.

THIS PUBLICATION IS PRINTED ON ACID-FREE PAPER.
