Editorial Policy

The purpose of *JARE* is to provide a forum for creative and scholarly work in agricultural economics and related areas. Manuscripts should have a relationship to the economics of agriculture, natural resources, human resources, or rural and community development. Theoretical, methodological, and empirical contributions in extension, research, and teaching of agricultural economics are equally encouraged. Only refereed articles are accepted for publication. Submission of comments on previously published articles in the *JARE* is welcomed.

Editorial Communications

All manuscripts and editorial correspondence should be addressed to J. Scott Shonkwiler, Editor, *JARE*, Department of Agricultural Economics, University of Nevada, Reno, Mail Stop 204, Reno, NV 89557-0105.
