Journal of the Bangladesh Agricultural University

'Journal of the Bangladesh Agricultural University Research' is a half yearly journal published in June and December by Bangladesh Agricultural University Research System (BAURES). Research papers, review articles and short communications in all fields of Agricultural Sciences are published in this journal.

Instruction for contributors: The manuscript should be an original one, not previously published or under consideration for publication in any form in any journal. The author(s) are requested to consult the latest issue of the Journal before submission of their article.

Language: The manuscript must be written in English.

Length of article: Research papers should not be more than 4000 words, while review articles may cover up to 6000 words. In case of short communication, the limit is 1500 words and there should be no sub-title except abstract and references.

A research paper should contain the following:

Title: Title should be clear and concise reflecting the objective and content of the paper. Title should be followed by name(s) and address(es) of the author(s) and a short running title.

Author: The number of author of an article should not exceed four. However, in case of research conducted through foreign fund, two more foreign authors can be allowed along with maximum limit of local author.

Keywords: Should not exceed 5 words/ phrases.

Abstract: Should be a concise summary of the article not exceeding 200 words.

Text: Text of the article should be in following order: Title, Abstract, Keywords, Introduction, Material and Methods, Results and Discussion, Acknowledgement (if any) and References. Manuscript should be computer typed having double space with a font size of 12 on one side of A4 size white paper. Three copies of printed materials should be submitted. Main heading should be in bold face with left margin. The position of Tables and Figures in the text should be indicated clearly. Name(s) and address of the maximum four Author(s) should only be provided on a separate page along with the article.

Tables and Figures: Tables and Figures should be placed on separate sheets. On the backside of Figures name of the first author and Figure number should be mentioned. Photographs should be black and white and of good quality.

References: References in the text should follow the author-date system, e.g., (author, date) for one author; (author and author, date) for two authors; (first author et al., date) for more than two authors. The reference list should be given alphabetically in the following style:

Handling charge: For publication of each accepted full length paper and short communication the author(s) shall have to pay: Full Paper a) For Principal Investigators/ Investigators of BAURES Research Projects Tk. 500/- per research article, b) For others Tk. 1000/- per research article. Short communication a) For Principal Investigators/Investigators of BAURES Research Projects Tk. 300/- per research article, b) For others Tk. 500/- per research article. In addition Contributors shall have to pay an amount of Tk. 300/- during submission of the paper for the purpose of reviewing the same. Editorial board, if necessary, may charge extra cost for including photographs.

Proof and Reprint: Proofs will sent to the author(s). Author(s) are requested to take care during correcting the manuscript on the basis of the comments of the reviewers/overviewer and return to the Executive Editor within three days of receipt. The contributors will be supplied with a copy of the journal along with 10 copies of reprints free of cost.
Contents

Crop Science
1 Morphomolecular genetic study of selected groundnut genotypes with microsatellite marker - M.S. Rahman and M.S. Alam 1

Livestock
7 Quality assessment of sweetened condensed milk available in Bangladesh - M.R. Hassan, M. Asaduzzaman, A. Wadud and S. Sultana 47
8 Pathological investigation of campylobacteriosis in female buffaloes - F. Ahmedullah, M. Akbor, M.G. Haider and M.A.H.N.A. Khan 53
9 Comparative efficacy of pineapple leaves and two patent anthelmintics (Albendazole and Ivermectin) against Ascarasis in indigenous chicken - M.M. Rahman, M. Mostofa, M.A. Hossain, N.I. Smrity and Z. Yasmin 59
10 Semen characteristics of black bengal buck in relation to age, body weight and scrotal circumference - M.R. Islam, S. Atroz, M.A.M.Y. Khandoker and Q.S. Akter 65
11 Efficacy of aqueous extract of Stevia rebaudiana bertoni leaves in rats with streptozotocin induced diabetes mellitus - M.B. Rashed, M. Mostofa, M.A. Hossain and F. Yasmin 73
12 Prevalence and Pathology of haemoprotozoan infection in chickens - A.R. Dey, N. Begum, Anisuzzaman and D. Chakraborty 79
13 Effects of neem (Azadirachta indica) leaves against gastrointestinal nematodes in cattle - M.R. Amin, M. Mostofa M.A. Awal and M.A. Hossain 87

Fisheries
15 Effects of dietary protein on growth, food consumption and body composition of Nile tilapia (Oreochromis niloticus L.) - M.S. Ali, S.M. Stead and D.F. Houlihan 99
16 Feeding in every alternate day is a sustainable technique for Thai pangas (Pangasius hypophthalmus) culture - A.K.M.R. Amin and M.A.R. Hossain 109
17 Microalgal ecology in experimental carp - pangas polyculture ponds - M.M. Hossain, S. Khan, M.R.U. Sarker and M.M. Haque 119
18 Efficacy of medicinal plants on microbial fish pathogens - M.B.R. Chowdhury and T. Rahman 131
19 Experimental infection of shing Heteropneustes fossilis with Aeromonas hydrophila - K. Mostofa, M.T. Islam, M.A. Sabur and M. Mamnu Rashid 139
20 Effects of iso-nutrient fertilization on hydrological conditions and biological productivity of six earthen ponds in BAU campus - M. Begum, M.J. Alam, M.A. Wahab and M.S. Haq 145
21 Production of cross koi through crossing between local and Thai koi (Anabas testudineus, Bloch) - A.K.S. Ahammad, M.M.R. Khan M.A. Hossain and M.E. Islam 153
22 Some aspects of the reproductive biology of R. rita (Hamiton) - M.R. Amin, M.F.A. Mollah, S. Nasrin and M.A. Sayeed 159

Economics and Rural Sociology
23 Success factors of BKB and BRDB poverty reduction poultry development program - A case study - M.I.A. Mia and J.I. Peter 165
25 Impact of private broiler farming on rural employment and income generation in Kishoreganj district - M.I. Hossain and M.A. Akbar 181
26 Management and employment potential of small-scale dairy farming in Mymensingh - M.A. Quddus and M.A. Islam 189
27 Exposure, evaluation and final result of the information regarding the selection and use of pesticides among the vegetable growers and the role of public sector extension workers: An empirical study - P. Ray and S. Chowdhury 199
29 Factors affecting the technical efficiency of Boro rice production in Bangladesh a Cobb-Douglas stochastic frontier analysis - M.M.H. Sikdar, M.A. Alam and M.I. Hossain 215
