UTILISING HOME GROWN FOODS.

THE ECONOMIC PRINCIPLES INVOLVED.

DEPARTMENT OF AGRICULTURAL ECONOMICS
SUTTON BONINGTON
LOUGHBOROUGH

Price 1s. 6d.

Based on a paper delivered at a Conference
of N.A.A.S., N.F.U., N.U.A.W., and the
C.L.A. at the Y.M.C.A. Hall, Shakespeare
Street, Nottingham. February 19th, 1953.

UTILISING HOME GROWN FOODS.

THE ECONOMIC PRINCIPLES INVOLVED.

by

R. BENNETT JONES

(Should a farmer grow all the feed for his livestock? This paper shows that the answer varies from farm to farm and from time to time. It also indicates how a farmer can set about answering this important question for himself.)
